

PRODUCT DATASHEET

PATROLMANS WOSS

A high-performance, constant-wear drysuit designed for law enforcement and government agencies conducting covert operations.

Engineered for maximum comfort, durability, and protection, it provides reliable safety during extended missions in demanding maritime environments. Versatile and adaptable, the all-black design ensures low visibility while also ensuring safety during extended use.

Approvals

- UKCA/CE mark
- PPE Cat I with testing from EN343:2003 & EN14225-2:2017

Upper material

Breathable nylon tri-laminate with microporous coating (225gm/mt²)
