

PRODUCT DATASHEET

# BLUERAY MARINE RESCUE HELMET

 Typhoon **PRO**

**The Blueray Helmet is a lightweight marine helmet, and is extremely comfortable and balanced.**

The shell is made from carbon composites giving excellent impact protection. It also has the option to fit various accessories including: marine visors, torch attachments, communications and safety goggles.

The Blueray Helmet is tested making it suitable to be used in challenging environments, including; water rescue, boats, PWR and hovercraft.
