PRODUCT DATASHEET

SURFACE PRO DRYSUIT

This lightweight surface drysuit combines a breathable, soft-touch fabric with a flexible construction for unrestricted movement.

Finished in black with photoluminescent tape detailing at the cuffs and hood for improved visibility in low-light conditions. It features an integrated hood grown-on to the suit for a streamlined, jacket-style fit and added weather protection.

The suit features a convenience zip and practical back-entry design, providing easy access while maintaining a comfortable and functional fit.
